

Wed, Feb 9, 2:56 PM

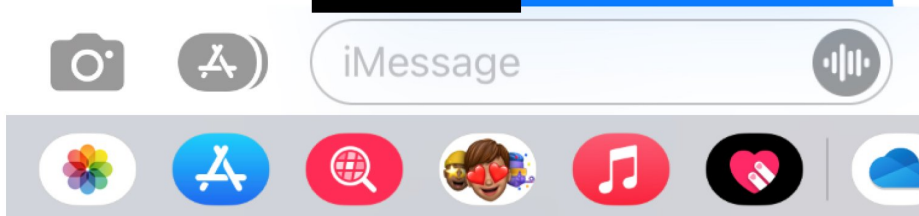

Hi Brian. Homeland Security advisor (and DNSA) Liz Sherwood-Randall wants to reach out to her counterpart next in the border closure issue. Who would that be?

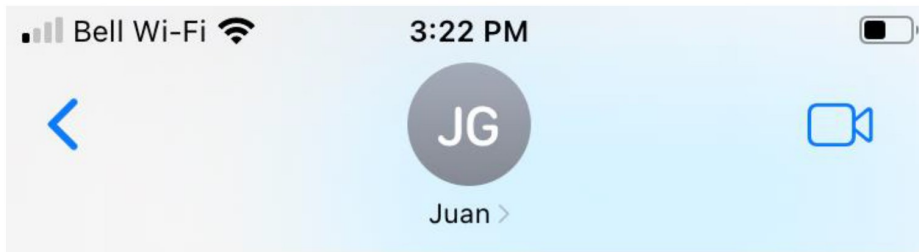

Wed, Feb 9, 3:58 PM

Hey - I understand the call is arranged for 5pm with our National Security and Intelligence Advisor Jody Thomas

Ok good. We haven't heard back confirming. Is there someone in her office we should be in contact with?
